Point of Care Cabinet

by Proximity

Proximity is here to help today's senior care communities. Our customizable cabinets house your specific technology. Putting the Post Acute EHR Software System used for assessments, care plans, CNA charting, ADL tracking, inventory control progress notes and more, right where your frontline staff needs it for deep clinical insight. We provide a residential looking product built for clinical care that literally "goes away". Cabinets that blend into the décor for a furniture feel. We put **Care within Reach**.

Care within Reach.
